Northern Normal and Industrial School

Aberdeen, South Dakota

Announcing the
Seventh Annual High School Athletic
and Declamatory Meet.

ISSUED QUARTERLY BY THE SCHOOL

Entered as Second Class matter June 27, 1907, at the Postoffice at
Aberdeen, South Dakota, under the Act of Congress
of July 6th, 1904

ANNOUNCEMENT OF THE SEVENTH ANNUAL HIGH SCHOOL ATHLETIC AND DECLAMATORY MEET.

The Northern Normal and Industrial School faculty will conduct the seventh annual athletic and declamatory meet for the high schools of South Dakota, on the 1st of May, 1914. This meet will be a strictly high school affair, governed by the rules of the South Dakota High School Athletic Association.

The morning will be given over to preliminaries and the afternoon to finals in the following athletic events:

100 yard dash	12 pound shot put
220 yard dash	12 pound hammer throw
440 yard run	Discus throw
880 yard run	Running broad jump
Mile run	Running high jump
2 mile run	Pole vault
120 yard hurdles	Half-mile relay race
220 yard hurdles	

Three bona fide students may be entered from any school in each of the events, but not more than two will be allowed to start in any event. All entries must be in the hands of Professor E. C. Woodburn, local secretary of the meet, not later than April 27th. Professor Ralph E. Nichol, athletic director of the institution, will be in charge of the field events.

The winner of a first place in any regular event will be awarded a gold medal, and five points will be credited to his school; the winner of a second place will receive a silver medal, and the school which he represents will have three points added to its score; the winner of a third place will be given a bronze medal, and one point will be added to the score of his school. The relay race will not count points, but the winning team will be awarded a silver cup. The school scoring the highest number of points will receive a loving cup or a handsome banner.

The gold, silver and bronze medals to be awarded at the meet of 1914 are the finest ever offered by the school and will prove handsome trophies for the successful contestants.

Free entertainment in the best homes of Aberdeen will be provided for all who may compete in this invitation meet and for teachers accompanying the contestants.

In the contest of 1913, fifteen high schools were represented and it is hoped that this number may be increased at the forthcoming meet.

ENTRY BLANK FEB 27 1917**Seventh Annual Field and Track Meet for
South Dakota High Schools**
